

Service Offerings

115 Solutions Pty Ltd is a specialist Project Management Company that provides a range of national services by utilising over 400 accredited service technicians, Tradesmen and other partners and Suppliers, locally sourced, to achieve the result you require. Whether it is a single Plasma installation or a national roll-out of Digital or Static signage, 115 have the people to do the job – on time and in budget – guaranteed!

The people at 115 have over 60 years experience working in this arena and have many trades available from AV Technicians to Licenced Electricians, Carpenters and other related trades. You have the job to do, we have the resources and we will manage those resources to achieve the result you need. We work with you from inception through to implementation to achieve the final commissioned result.

The services offered include

- Project Management of the commissioned work
- Call Centre for the management of the work
- System architecture recommendations
- Scoping out the required work
- On-site inspections and reporting of the results
- Arranging local Tradespeople to carry out the work – locally or Nationally
- Final commissioning of the project to sign-off
- Full reporting against the parameters you require

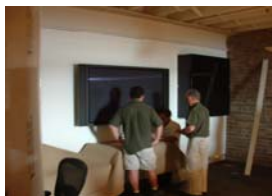

These services are available for

- Plasma and LCD Screen installation – single installs to a Hotel full...
